

KIRKPATRICK AND STAPLES WIN IN 4th OF JULY TENNIS TOURNAMENT

FINAL MATCHES IN EXHIBITION SINGLES AND CONSOLATION
DOUBLES TO BE PLAYED THIS SATURDAY.

Our two fellow countrymen—Messrs. Dempsey and Willard—had nothing on our fellow townsman who are members of the Narberth Tennis Association and who contested for honors last week in the annual Fourth of July tournament. It may have been hotter in the ring at Toledo than it was battling in the arena at Elmwood and Essex avenues, but we doubt it.

But the torrid temperature didn't in the least interfere with the matches, and there was some unusually good tennis both on Friday, the Fourth, and on Saturday.

Kirkpatrick and Staples won the big event after a hard battle with Newell and Philler on Saturday afternoon. It was either team's match up to the very last, and the spectators found plenty of opportunities to applaud good shots and lively rallies.

Newell and Philler won the first set 6-3 and came within an "ace" of getting the second, which Kirkpatrick and Staples won 7-5. The third and deciding set went to Kirkpatrick and Staples 6-3.

In the exhibition singles Newell defeated Staples, and Kirkpatrick defeated Philler. On Saturday afternoon Kirkpatrick and Newell will meet in the finals for the best out of three sets.

In the consolation doubles, Schulte and Thomas, and Shaw and Fenno won the semi-final matches and will meet in the finals this Saturday afternoon.

The summary of the tournament follows:

Men's Doubles.

First Round—Shaw and Stevenson defeated Watts and DuBree, 6-2, 6-4; Philler and Newell defeated Bailey and Burkhardt, 6-0, 6-4; Williams and Whitney defeated Tompkins and Grace, 7-5, 6-3; Hall and Cheney defeated Schulte and Thomas, 6-4, 7-5; Redifer and Muschamp defeated Foote and Scanlon, 6-1, 8-6; McKell and Simpson defeated Harris and Moore, 6-0, 6-1; Kirkpatrick and Staples defeated Hartley and Wright, 6-1, 6-2.

Second Round—Philler and Newell defeated Shaw and Stevenson, 6-1, 6-0; Hall and Cheney defeated Williams and Whitney, 6-3, 9-7; McKell and Simpson defeated Redifer and Muschamp, 10-8, 6-3; Kirkpatrick and Staples defeated Fenno and Shaw, 6-2, 6-1.

Semi-Finals—Philler and Newell defeated Hall and Cheney, 6-3, 6-0; Kirkpatrick and Staples defeated McKell and Simpson, 6-0, 6-4.

Finals—Kirkpatrick and Staples defeated Philler and Newell, 3-6, 7-5, 6-3.

Consolation Matches.

First Round—DuBree and Watts defeated Harris and Moore, 6-1, 6-0; Schulte and Thomas defeated Bailey and Burkhardt, 3-6, 8-6, 6-4; Shaw and Fenno defeated Hartley and Wright, 6-0, 6-1; Foote and Scanlon defeated Tompkins and Grace, 6-1, 6-2.

Semi-Finals—Schulte and Thomas defeated DuBree and Watts, 6-2, 1-6, 7-5; Shaw and Fenno defeated Foote and Scanlon, 6-4, 3-6, 6-2.

Finals—To be played this Saturday afternoon, July 12.

Exhibition Singles Matches.

Kirkpatrick defeated Philler, 6-3, 6-3; Newell defeated Staples, 6-4, 6-4.

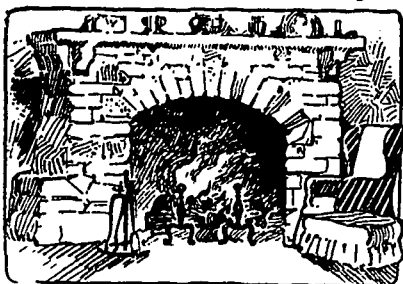

Final match between Kirkpatrick and Newell to be played this Saturday afternoon, July 12.

Tennis Notes.

Judging by the number of changes in costume worn by Mr. Cheney and the frequent shower baths that Jim McKell took during the tournament, it would be safe in assuming that the thermometer registered at least 150.

Mr. Shaw wishes that it be distinctly understood that while his name appears in the summary as being a partner in two different teams he paid two entrance fees.

Schulte and Thomas certainly earned their way to the finals in the consolation matches. They only lost to Hall and Cheney in the regular tournament 6-4 and 7-5, and both of their matches in the consolation tournament went to three sets.

Residents to be Notified Before Streets Are Closed for Repairs

Editor of Our Town:

The borough street forces are now engaged in resurfacing certain of the streets. During the time that this is being done it will be necessary to close the streets for a period of at least 24 hours, and in some instances 36 hours after the application of the surface treatment.

It is realized that where residents have automobiles which are kept in garages on their premises, this will cause inconvenience. Consequently, arrangements have been made to notify all residents in advance when a street is to be closed. It is hoped that all persons will give heed to these notices so that it will not be necessary to proceed against violators.

The Street Commissioner has been authorized by Councils to cause the arrest of any or all persons who remove or disregard notices that streets are closed.

W. R. D. HALL,

President of Councils.

ANOTHER BENEFIT FOR Y. M. C. A. ROOF.

The Women's Auxiliary acknowledge with many thanks receipt of \$1.10, the proceeds of a lawn party given by Stewart Mills and Lee Magarity, six and seven years old, respectively, for the benefit of the Y. M. C. A. roof.

The chief attractions at this little party were lemonade and lollypops, but the spirit was there, and these boys worked hard for the hundred and ten pennies which they handed to the President of the Auxiliary early on the morning following.

Thank you, boys, and as you watch the men busily engaged on the new roof, you may feel justly proud of the fact that you are helping to pay for it.

The world war cost the lives of 7,582,300 soldiers of all countries; the money cost was between \$185,000,000, 000 and \$195,000,000,000; in shipping, the toll was 23,005,383 tons of merchant vessels and 1,882,125 tons of war vessels. These figures were compiled by the War Department at the request of Senator McCumber, Republican, of North Dakota, and were made public by him as the most telling reason why there should be a League of Nations.

In the death of Mrs. William B. Godfrey, who departed this life Sunday morning, June 29, the borough lost one of its oldest residents. Anyone who had met her could not help but feel that she was a woman of rare character, full of love and affection and commanding respect from those who knew her.

Mrs. Godfrey is certainly missed in this community, as her life was devoted to making those with whom she came in contact see the brighter side of things. We extend to her husband our sincere sympathies.

MATERNITY BUILDING FOR THE BRYN MAWR HOSPITAL.

On October 12th, 1919, a campaign lasting one week will be started on the Main Line from Overbrook to Paoli, with the object of raising sufficient money to build, equip and maintain a maternity hospital for the Bryn Mawr Hospital.

Through the generosity of Mrs. Samuel M. Vauclain, ample ground for this purpose has been presented to the Bryn Mawr Hospital adjoining the present hospital property.

Girl Scout News

The trip to Valley Forge on Wednesday, July 2, was a perfect success. But with wonderful weather and twenty-two jolly Scouts, what else could be expected? We also had two visitors, Miss Ruth Chalfant, from Pittsburgh, and little Miss Mabel Wright, from West Philadelphia. The latter, who aspires to be a Scout, thinks the ten-year minimum entrance age very mature, as she is only eight.

Very much of the success of our trip was due to the comfortable leather cushioned machine and its capable pilot. We visited every place of interest; not a thing was missed, including innumerable springs, for which there seemed to be the greatest demand.

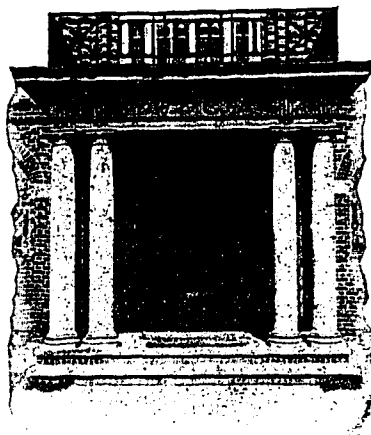

Excitement galore was furnished when a number of the girls who couldn't stand the lure of the creek any longer, shed their shoes and stockings and plunged in—that is, as far as most girls usually go. The big splash occurred when Marian Knapp made frantic efforts to elude the clutches of an imaginary crab, and in fresh water at that.

Our camp is next. On Monday afternoon we leave for Lorewood Grove, on the Delaware and Chesapeake Canal, to spend a week doing scout activities, including work as well as the usual camp fun. A. W. B.

Y.M.C.A. Prepares for Enlarged Work Next Season by Summer Economies

GAME ROOMS OPEN IN EVENINGS AND SATURDAY AFTER-NOON ONLY.

During the months of July and August our local Y. M. C. A. will remain closed all mornings and every afternoon except Saturday. This policy was adopted by the Board of Directors during its July meeting, held last Monday evening. The various swimming holes and baseball diamonds being the most seasonable attractions for the younger boys, the afternoon attendance does not warrant keeping the building open and supervised for that period of the day. Evening attendance, however, is much larger this year than last, due mainly to the return to Narberth of so many of our boys of the Army and Navy.

The above operation economy for the summer months is indicative of the thoughtful policy of preparation being followed by the Directors for the last few months—a preparation for the earliest possible carrying out of an expansion program that will enable the Association to adequately serve the interests of all Narberth citizens. The special committee having this expansion program in hand, after securing the approval first of the Directors, then of a special meeting of the membership, have labored faithfully to shape up the whole proposition in detail. The month of September is expected to see the expansion program in concrete detail set before the people of Narberth for their consideration and support.

The greatest need of the Association at this time is that each present member renew his subscription as soon as possible after receiving an expiration notice. In that way only can current expenses be met.

Tight.

Johnny—"These pants that you bought for me are too tight."

Mother—"Oh no, they aren't."

Johnny—"They are too, Mother. They're tighter'n my own skin."

Mother—"Now, Johnny, you know that isn't so."

Johnny—"It is, too. I can sit down in my skin, but I can't sit down in my pants."

Total Resources

Actual total expenses March 14-June 23

Balance in bank

Expense of running the Bureau for three months, \$329.77, or an average per month of \$109.92.

Income from fees for three months, \$299.05, or an average per month of \$99.68.

The actual total expense of the Bureau is not included above, for the reason that several items are properly chargeable monthly, so that the statement is meant to show more accurately the statement of the Bureau as a self-supporting venture. While the expense is, it is true, even on this basis, in excess of income, the committee personally feel much encouraged, as there has been a healthy increase of income month by month, and fully expects that the next few months will show an excess of income on expenditure.

Respectfully submitted,

DAVID M. RAMSEY,

Treasurer.

Ardmore, Pa., June 26, 1919.

To the Endorsers of the Main Line Employment Bureau.

Very truly yours,

ELISABETH V. CLOUD,

Secretary.

day evening at 8 o'clock sharp. Please come and make this a helpful and inspiring chorus. All those who have promised to help in the Sunday Union Service Chorus and the orchestra, be sure to be present and on time at the Friday evening rehearsal.

After the Fourth of July tennis tournament Mr. and Mrs. James Foot, of Montgomery avenue, entertained Mr. and Mrs. William Henderson, Mr. and Mrs. Roy Williams, Mr. and Mrs. Albert G. Stephenson, Mr. and Mrs. Jack Newell, Mr. and Mrs. Warren Wright, Mr. and Mrs. Walter Shaw at an old line picnic supper on their lawn at 8 o'clock. During the evening all enjoyed themselves by dancing and watching the fireworks.

The following letter has been sent to Miss Katharine White from the Holiday House:

Miss Katharine White,
Narberth, Pa.

Dear Katharine:

Enclosed you will find a receipt for your contributions for the Holiday House. I cannot tell you how happy it made us all feel to think that you and your little playmates are so interested in our noble work. We want to thank you as well as your little friends for your contribution and hope you can pay us a visit to the Holiday House some time this summer. We shall be very glad to see you.—Mrs. F. H. Baker, Treasurer, Holiday House.

Quick action marks the opening of Charlie Chaplin's latest comedy, "Sunshine," to be shown at the Palace Theatre, Ardmore, on Wednesday and Thursday. And not for an instant during the whole play does he strain for a point, not even when he trips and lands in the thorny bosom of a large and quick-acting member of the cactus family. "Sunshine" may not be the loudest Chaplin "big scream," but it abounds in hearty laughs and clean fun. Billie Burke in "The Stafford Mystery," the feature on Wednesday, and "Devil M'Care," with Crane Wilbur, on Thursday, are both interesting and entertaining.

On Friday evening, June 27th, a surprise shower was given for Miss Polly Vowell, whose engagement to Mr. Irvin T. Ward has been announced, by Miss Sylvia Cummer and Miss Lillian Compton at the latter's home, 500 Woodside avenue. The house was artistically decorated, the color scheme being pink and white. The other guests present were: Miss Mabel Olson, Camden, N. J.; Miss Doris Townshend, Miss Mary Becker and Mrs. James Compton, Philadelphia; Mrs. Frank Gravelle, Wynnewood; Mrs. H. Newton Compton, Wayne; Miss Elsie MacGowan, Bryn Mawr; Miss Lois Dozier, Pinehurst, N. C.; Miss Elsie Stalker, Miss Anna Stalker, Mrs. Harry Seasholtz, Ardmore; Miss Zuleime Hupp and Miss Frances Compton, Sperryville, Va.; Miss Marguerite Mueller, Miss Bertha Redifer, Miss Rose Hamer, Miss Alice Jenkins, Miss Miriam Ward and Miss Eleanor Ward, Miss Flora Compton, Mrs. Florence Edict and Mrs. Warren Anderson, of Narberth.

New editions of "Treasure Island" will print the famous pirates' song in a Bryanized version, to wit: Forty-eight States as dry as a bone. Yo ho! Yo ho! and a noggin o' milk!

Baseball Season Opens Second Half

E. G. DUN & CO. TO BE NARBERTH'S FIRST OPPONENT ON THE HOME GROUNDS.

The schedule of the Main Line League is divided into two halves; the first period of ten games finishing up on July 4, and the second on Labor Day, September 1. The winners in each half to play off a championship series to decide the season's championship.

The names of players handed in by the various team managers at the meeting at the Hotel Walton on Wednesday evening indicate that there will be some very fast baseball; that there will be a very hard fight for the lead in the second half.

Several new names have been added to the Narberth list, and it is to be hoped we will have the pleasure of seeing Narberth, the champions of former years, play off the final series with Union A. A. of Lansdowne, who were the victors in the first period.

Fans need not be discouraged by the showing made in the first nine games, as we demonstrated on July 4 afternoon that Narberth boys can really play baseball, when we gave the Autocar Club, who had a good team on the diamond, a very good beating, or rather a bad beating for Autocar.

Among the many new rulings made at the last regular meeting, one of the most important was the decision to use two umpires for each game, as it was found that one umpire could not handle the game on account of the many close plays. This will make us more than ever like "Big Leaguers."

Come up to the High School grounds Saturday afternoon at 3.15, root for the home boys and follow the team through the season, and it is to be hoped that baseball fans will get more than their money's worth.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
